DMAHG News

- Farewell to receptionist Jess as she goes on maternity leave, her last day will be Tuesday the 18th of July
- Welcome back to DMAHG Kirsty (reception) please make her feel welcome
- Q Fever out of stock until further notice.

XRAYS & ULTRASOUNDS ONSITE

NEW Sonographer onsite now doing xrays, ultrasounds and dopplers! David from Country Imaging Australia is here three times a week and charges \$40 for any ultrasound and BULK BILLS xrays. A referral from your gp is required.

DID YOU KNOW?

That as part of signing up for the Closing The Gap (CTG) program it is a requirement to have an annual health assessment with a nurse and your GP.

Reception staff will be phoning to offer this to eligible patients however if you do not wish to participate you will not be entitled to the CTG benefits.

If you are Aboriginal or Torres Strait Islander and you haven't signed a CTG form please see our friendly reception staff. Please be advised that CTG forms need to be renewed at the beginning of each November.

*Please note that you can only be registered at one practice.

MY HEALTH RECORD

This year, you will get a My Health Record unless you tell us you don't want one. As more people use the My Health Record system, Australia's national health system becomes better connected. The result is safer, faster and more efficient care for you and your family.

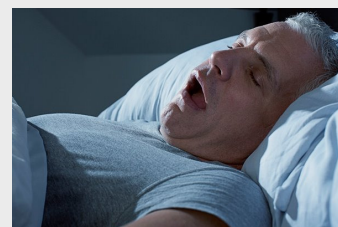

If you don't have a My Health Record, and don't want one created for you, you can opt out between 16 July and 15 October 2018.

When will I get a My Health Record?

The new records will be available from 13 November 2018. If you want a My Health Record before then you can register now.

For further information please visit www.myhealthrecord.gov.au

Did you know that we offer

Sleep Studies with Acacia Sleep

Bariatric Surgery Consultations

Pre-Employment Medicals

Speak to reception for further details

Dubbo After Hours

Dubbo After Hours GP Clinic provides consultations by local GPs to patients who have an urgent non emergency medical condition and are unable to wait to see their regular GP during normal surgery hours. It is staffed by a GP, an RN and a receptionist. The After Hours GP Clinic is located at the Dubbo Base Hospital. It operates from 2pm until 6pm on Saturdays, Sundays and public holidays (excluding Christmas Day and Good Friday).

The clinic offers bulk-billing and is a walk-in, you will need to bring a Medicare card. The clinic is not intended to replace the routine care provided by your local GP or substitute medical care in an emergency situation. In emergencies, please still call triple zero.

*Please note DMAHG is open Saturdays and Sundays and have limited vacancies

HotDoc is the provider DMAHG switched to for online bookings in May and one of the features we have switched on recently is 'Activations'.

Patients over the age of 18 will receive a confirmation sms 24 hours before an appointment with an attached link. This link requires you to confirm by clicking the 'Yes, I'm coming' button which will then prompt you to answer 1 or two questions making the patient aware of services available.

The activations feature allows us to make patients aware of medical services that are on offer to them based on age and gender. This may include services such as mens and womens health checks, care plans, particular vaccinations, targeted age health assessments and more.

If you are interested in learning more about the service or booking in you will have the option of saying YES which will notify our practice who will then get in touch with you.

Alternatively if you have any inquires about the mentioned services please speak to our friendly reception staff.

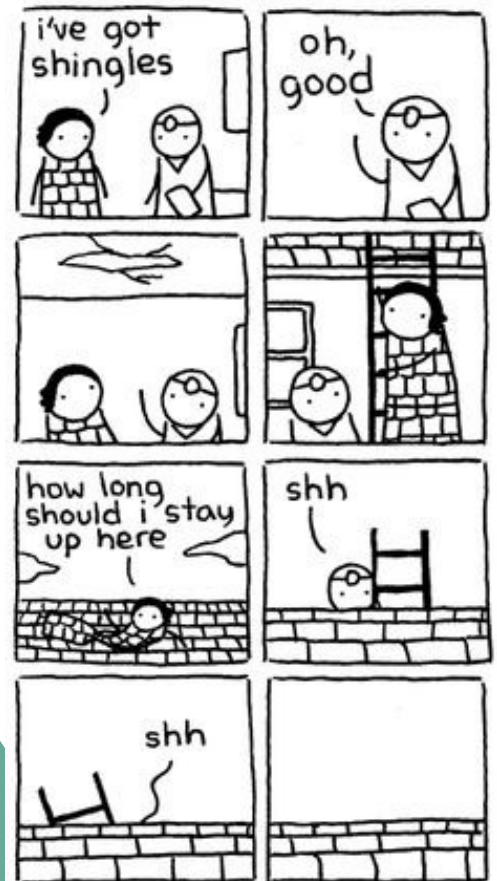

**HEALTHY PRACTICE
HEALTHY PATIENTS**

DID YOU KNOW?

That childhood Immunisations can not be done earlier than the NSW Immunisation Schedule as it will not be acknowledged by the Australian Childhood Immunisation Register.

Any vaccines done prior to when they're supposed to i.e if a child is having 6 month vaccines but is 5 months when they get them they will need to have the vaccines again once they have turned 6 months old.

SHINGLES FREE VACCINE 70-79

Staff Interview

Name: Elenor Simpson
Role: Reception Team Leader

What do you enjoy most about working at DMAHG?
Working with great staff makes the time more enjoyable

In your role what do you find you're best at?
Organisation

If you could choose another role at DMAHG, what would it be and why?
Practice Nurse because you get to be more interactive with the patients

What would you do if you won the lottery?
I would buy a mansion, a flash car and go on a huge shopping spree and buy every designer item I wanted

What movie best describes your life?
Confessions of a Shopaholic
